Subject: U.S. Embassy Beirut: Funding Opportunity

Dear Dr. Habib,

I am pleased to inform you that the Public Affairs Section of the U.S. Embassy in Beirut has announced two funding opportunities. This funding will be for projects that focus on English language programming as well as programs that target other thematic areas.

More information on this funding opportunity is available at: <https://lb.usembassy.gov/category/grants/including-eligibilities-and-application-requirements>. The deadline to submit applications is **March 1, 2019**.

We invite you to check this information and apply if you have project (s) that target the specified areas.

Regards,

Elie Ferney
